Office Liaisons: Ellora's Cave Red Garnier

Divine Assistant Lucy Divine has her career perfectly mapped out, and a new job as assistant to renowned investor Patrick Holden is an extremely opportune place to start. To Lucy's surprise, however, her notorious new boss's accomplishments are instantly overshadowed by his attitude. He's arrogant and conceited and pleasing him is next to impossible. But Lucy's disturbed to find she wants to please him—in every way possible. Holden's brooding, sizzling good looks make Lucy wonder if his passion extends beyond the boardroom. No one's ever called Patrick Holden a sweetheart. If he's anywhere in this world, it's due to his fierce determination. A blonde, sexy bombshell assistant whose body is begging for a tumble is a distraction he can certainly do without...and one he's hell bent on getting rid of. No assistant has ever lasted under the strain of his demands, but Lucy is proving to be the exception. She's intelligent, resourceful, determined — and Patrick quickly realizes the only hostile takeover he's interested in involves his Divine assistant. Bona Fide Liar Alex will do whatever it takes to keep male coworkers away from Carly. Who cares if she hates his guts? He wants her bad. He can barely believe his eyes when Carly sways seductively toward him and speaks the words he's been longing to hear. Her place. Bring the plastics. There really must be a god! It's finally time to make Carly his—for real this time. Carly has heard her share of lies, but the ones spilling out of Alexander's lips beat them all. The gall of him, spreading nasty rumors of them doing all manner of kinky things—even if she has dreamed about it. Carly's determined to pay him back, and she's wasting no time putting her perfect plan into action.
