Dickfish R. S. Moore

Set in turn-of-the-century Washington, DICKFISH is a prurient peek into the limousine lives of six frisky young professionals, whose twisted histories, complex values and subterranean tunes ultimately reflect—or reject—the modern America of our imaginings. Its tongue-in-cheek tone lifts the randy tale to wild heights of irony, as left-wing elitists lampoon right-wing extremists and raging narcissists skewer noisome Neoconservatives. Nobody winds up covered in glory. But, in the end, as in life, decadent Democrats always find a way to have fun—and dour Republicans never know why.

From reader reviews:

Mary Ybarra:

Here thing why this specific Dickfish are different and dependable to be yours. First of all reading a book is good nevertheless it depends in the content than it which is the content is as yummy as food or not. Dickfish giving you information deeper since different ways, you can find any reserve out there but there is no e-book that similar with Dickfish. It gives you thrill looking at journey, its open up your current eyes about the thing that will happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the paper book maybe the form of Dickfish in e-book can be your alternate.

Linda Monge:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is from the former life are hard to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Dickfish as your daily resource information.

Estella Pierre:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their sparettime with their family, or their particular friends. Usually they accomplishing activity like watching television, likely to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to attempt look for book, may be the publication untitled Dickfish can be very good book to read. May be it might be best activity to you.

James Shockley:

Dickfish can be one of your beginner books that are good idea. Many of us recommend that straight away because this guide has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining however delivering the information. The copy writer giving his/her effort to place every word into pleasure arrangement in writing Dickfish nevertheless doesn't forget the main position, giving the reader the hottest as well as based confirm resource information that maybe you can be one of it. This great information could drawn you into brand new stage of crucial pondering.
