Priscilla Battenberg & Point Lace Book c.1912 - An Edwardian Era Instruction Book in Needle Lace Making The Priscilla Publishing Company

50 Pages. One of the best vintage books that I have seen for making Battenberg laces! It is loaded with detailed illustrations of the various stitches used to make the laces, as well as several finished examples. The book is a goldmine for the experienced and novice alike! I have two versions of this book, the 1900 and 1912 editions - this book has a few more pages, otherwise they are identical! REPRODUCTION
