## The Miniaturist: A Novel Jessie Burton

Set in seventeenth century Amsterdam—a city ruled by glittering wealth and oppressive religion—a masterful debut steeped in atmosphere and shimmering with mystery, in the tradition of Emma Donoghue, Sarah Waters, and Sarah Dunant.

*"There is nothing hidden that will not be revealed . . ."*

On a brisk autumn day in 1686, eighteen-year-old Nella Oortman arrives in Amsterdam to begin a new life as the wife of illustrious merchant trader Johannes Brandt. But her new home, while splendidous, is not welcoming. Johannes is kind yet distant, always locked in his study or at his warehouse office—leaving Nella alone with his sister, the sharp-tongued and forbidding Marin.

But Nella's world changes when Johannes presents her with an extraordinary wedding gift: a cabinet-sized replica of their home. To furnish her gift, Nella engages the services of a miniaturist—an elusive and enigmatic artist whose tiny creations mirror their real-life counterparts in eerie and unexpected ways . . .

Johannes' gift helps Nella to pierce the closed world of the Brandt household. But as she uncovers its unusual secrets, she begins to understand—and fear—the escalating dangers that await them all. In this repressively pious society where gold is worshipped second only to God, to be different is a threat to the moral fabric of society, and not even a man as rich as Johannes is safe. Only one person seems to see the fate that awaits them. Is the miniaturist the key to their salvation . . . or the architect of their destruction?

Enchanting, beautiful, and exquisitely suspenseful, *The Miniaturist* is a magnificent story of love and obsession, betrayal and retribution, appearance and truth.

If I were being you I will go to the guide store hurriedly.

#### Joseph Alderete:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you could have it in e-book technique, more simple and reachable. That The Miniaturist: A Novel can give you a lot of friends because by you investigating this one book you have factor that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This book offer you information that might be your friend doesn't recognize, by knowing more than additional make you to be great people. So , why hesitate? We need to have The Miniaturist: A Novel.

#### Floyd Brown:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Miniaturist: A Novel can make you really feel more interested to read.
