The Shackled Continent: Power, Corruption, and African Lives

Robert Guest

The Shackled Continent: Power, Corruption, and African Lives Robert Guest

A former Africa editor for *The Economist*, Robert Guest addresses the troubled continent's thorniest problems: war, AIDS, and above all, poverty. Newly updated with a preface that considers political and economic developments of the past six years, *The Shackled Continent* is engrossing, highly readable, and as entertaining as it is tragic.

Guest pulls the veil off the corruption and intrigue that cripple so many African nations, posing a provocative theory that Africans have been impoverished largely by their own leaders' abuses of power. From the minefields of Angola to the barren wheat fields of Zimbabwe, Guest gathers startling evidence of the misery African leaders have inflicted on their people. But he finds elusive success stories and examples of the resilience and resourcefulness of individual Africans, too; from these, he draws hope that the continent will eventually prosper. Guest offers choices both commonsense and controversial for Africans and for those in the West who wish Africa well.

From reader reviews:

Robyn Pugh:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of The Shackled Continent: Power, Corruption, and African Lives to read.

Jenni Roberts:

Spent a free a chance to be fun activity to complete! A lot of people spent their free time with their family, or their friends. Usually they performing activity like watching television, about to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Can be reading a book may be option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to test look for book, may be the guide untitled The Shackled Continent: Power, Corruption, and African Lives can be excellent book to read. May be it could be best activity to you.

John Herrera:

This The Shackled Continent: Power, Corruption, and African Lives is great guide for you because the content that is certainly full of information for you who also always deal with world and have to make decision every minute. This kind of book reveal it information accurately using great manage word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with splendid delivering sentences. Having The Shackled Continent: Power, Corruption, and African Lives in your hand like obtaining the world in your arm, details in it is not ridiculous one. We can say that no publication that offer you world throughout ten or fifteen second right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?

Samuel Brooks:

What is your hobby? Have you heard in which question when you got students? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as examining become their hobby. You need to know that reading is very important and book as to be the factor. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You will find good news or update regarding something by book. Numerous books that can you choose to use be your object. One of them are these claims The Shackled

Continent: Power, Corruption, and African Lives.
