So you want to become a model. Here's how! The Model You will guide you through the transition from dreaming about it to managing your modeling career. Learn how to choose a career path, set realistic goals, find photographers and agents, build your portfolio, market yourself, avoid scams and creeps, and much more. Unlike similar books, this is not only a how-to guide. It is also crammed full of in-depth interviews with successful models and modeling agents. They expose the myths and realities of the modeling business and speak directly to the reader, in their own words, sharing their experiences and advice. This is a fun, practical, and comprehensive guide to the nuts and bolts of the modeling industry, intended not only for aspiring models but for their parents as well. Discover what modeling is really like, from the experts who live it every day!
