Thieves Like Us Stephen Cole

Jonah Wish, a brilliant computer hacker, is the newest addition to an elite group of teen outlaws all hired by the same mysterious benefactor, Nathaniel Coldhardt. Each of them offers a unique talent: Patch is a one-eyed locksmith; Motti can dismantle any electrical system; Con's charm is truly mesmerizing; and Tye can detect a lie with more precision than a polygraph. Under Coldhart's watchful eye, this motley crew races from a high-tech underground conference centre to exotic locations where they hunt for priceless ancient artefacts that may bring riches . . . or the secret to eternal life.

From reader reviews:

Annie Hendricks:

What do you concentrate on book? It is just for students since they're still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that question above. Every person has diverse personality and hobby for each and every other. Don't to be compelled someone or something that they don't desire do that. You must know how great and important the book *Thieves Like Us*. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Leslie Woodson:

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know which you should start with. This *Thieves Like Us* is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Gene Lyons:

Reading a book being new life style in this yr; every people loves to examine a book. When you learn a book you can get a lots of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, in addition to soon. The *Thieves Like Us* will give you new experience in examining a book.

Barbra Walker:

Is it a person who having spare time and then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This *Thieves Like Us* can be the response, oh how comes? A book you know. You are so out of date, spending your time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?
