Afterwards I Knew: Stories from the First and Second World Wars. (Time to Eternity) Christine Farenhorst

From the depths of history and the terrible days of the Great Wars we read stories of courage and danger but ultimately of faith, hope and love. A grandfather sits in front of a warm fire as the flames rekindle memories of times long gone - the next generation needs to know the truth. A table cloth and a large mischievous dog bring two women together from different sides of a bitter struggle. The dominion of Canada and battle scarred Dresden are reconciled through the love of Christ.
