Ever since she was young, Paige McLean has longed to see the world. Still, she never imagined the world would land on her doorstep in the form of a charming British surgeon who needs a place to stay when his plans fall through.

After a devastating loss, Alistair Woodbury has vowed to live his life alone. But in all his travels, he hasn't encountered a town as welcoming as Fool's Gold, nor a woman as caring - or as beautiful - as Paige. Her compassion warms him almost as much as their stolen kisses.

When it's Alistair's time to leave, will his brief visit turn into a lifetime stay?
