Guiding the Gifted Child: A Practical Source for Parents and Teachers

Over 100,000 copies sold!

Gifted children have unique social and emotional concerns. Their characteristics, combined with current educational practices, often put them at risk for problems.

This award-winning book contains chapters on motivation, discipline, peer relationships, sibling relationships, stress management, depression, and many other issues that parents and teachers encounter daily with these children.

It has been called "The Dr. Spock book for parents of gifted children."
