**La mujer del Siglo (Novela histórica) (Spanish Edition)** Margarita Melgar

Consuelo, una huérfana con un secreto a sus espaldas, cambia de identidad para escapar al destino que otros han decidido para ella. Su nueva vida la llevará de un humilde taller de costura en un palomar a los lujosos almacenes El Siglo, de los catálogos de moda a los panfletos sindicales, del arte a la supervivencia, de la vieja aristocracia en declive al triunfal dinero nuevo, de su origen misterioso a un futuro imposible, de la resignación al amor.

Pero, ¿pueden seguir juntos dos amantes si...?

La respuesta está en un viejo cuadro, en la enigmática relación de un pintor maldito con su musa gitana. Y en las calles de la convulsa Barcelona de 1919: la rosa de fuego de los anarquistas, la patria canalla de la bohemia, la ciudad luminosa del lujo y los negocios.
