Rapid Review Pathology, 1e Edward Goljan

This text offers a comprehensive yet concise review of pathology while discussing all of the relevant clinical information. The review chapters in the first section of the text are in a user-friendly outline format with high-yield information located in margin notes and clinical topics discussed within the outline and in clinical boxes. The second section of the book contains two 50-questions exams in USMLE format. A CD-ROM that accompanies the book contains a full-color art program, 500 board-style questions and answers with rationales for correct answers as well as all incorrect choices, and a quizzing function that gives scores at the end of the exams.
