Angelo Pezzote

## **Straight Acting: Gay Men, Masculinity and Finding True Love** Angelo Pezzote **Fed up with the fact that men have a shorter shelf life than sushi?**

Finding, let alone building, a strong relationship can still be challenging for gay men. The reason? Masculinity. All men, gay or straight, have been socialized to believe that to be overtly gay is unmanly and shameful. To compensate, many gay men adopt a macho, "straight acting" pose that blocks them from being their full selves, expressing their true feelings and forging real, lasting connections.

In *Straight Acting*, Angelo Pezzote (AskAngelo.com) encourages readers to go beyond limiting ideas of how "real" men should behave, and leave behind out-dated ways of being that create stumbling blocks to deeper intimacy. Drawing on his years of experience as a gay psychotherapist and advice columnist, he offers practical and thoughtful relationship strategies, with tips on subjects that include coming out, dating, how to avoid falling for a player, how to maintain a sizzling, satisfying sex life, navigating open relationships, and much more. Most of all, he delivers crucial insights on the importance of ditching the macho act and learning to be true to yourself. Whether you're single and sick of it, wanting to move closer to your partner, or wondering how to meet someone for the very first time, let Angelo show you how to get real and get him. Put yourself out there to get--and keep--the love you want.
