The Fifth Column And The First Forty-Nine Stories Ernest Hemingway

"This volume presents Ernest Hemingway's first full-length play, *The Fifth Column*, and brings for the first time into one collection all the short stories that he has written. Today Hemingway is recognized as the greatest contemporary practitioner of the short-story writer's art--- a reputation that rests solidly on such masterpieces as *The Undefeated*, *The Killers*, *Big Two-Hearted River*, and *The Snows of Kilimanjaro*. Here is the whole, exceptionally varied series, including four stories that have not appeared in any Hemingway collection. There are vibrant tales built around memories of boyhood in the American Northwest, stories of sport alive with joy of living, tautly drawn recollections of the war years, and revealing impressions of modern life never before disclosed so excitingly or woven into stories with such uncanny accuracy.
