Picking up immediately where book one of the Exit Vertigo series left off, the sequel follows Connor Bryson and the remaining members of the Wayward Ark maintenance team as they desperately search for clues about an event that some would rather keep hidden from memory.

Another gripping, wholly absorbing chapter of the bestselling Wayward Pines series, Jordan Crouch's Exit Vertigo explores the dangerous netherworld existence of caretakers who emerge from stasis every two decades to ensure the facility that houses all that remains of mankind continues to function. While others hibernate, Connor and a select team of maintenance workers stumble through the Ark's darkened hallways, racing against time in search for a clue to an apocalypse no one can remember.

This is book two in Jordan Crouch's Wayward Pines series—stay tuned for the conclusion!
