## **Winter Stars (Pitt Poetry Series) Larry Levis**

Since the appearance of his first book in 1972, Larry Levis has been one of the most original and most highly praised of contemporary American poets. In *Winter Stars*, a book of love poems and elegies, Levis engages in a process of relentless self-interrogation about his life, about losses and acceptances. What emerges is not merely autobiography, but a biography of the reader, a “representative life” of our time.
