Above the Line: My Wild Oats Adventure Shirley MacLaine

A funny, fierce, imaginative memoir chronicling *New York Times* bestselling author and Academy Award winner Shirley MacLaine's remarkable experiences filming *Wild Oats* in the Canary Islands and the extraordinary memories her time there brought forth of a past life on the lost continent of Atlantis.

Her agent told her not to get on the plane. The male leads weren't even cast. The financing was shaky at best. The script had been re-written countless times. And yet something about *Wild Oats* lured Shirley MacLaine to the film's location shoot in the far-off Canary Islands—and straight to the center of one of the most thrilling and paradigm-shifting adventures of her life.

The making of the film reads like a screwball comedy, as the cast and crew face unpredictable daily obstacles with ingenuity, grit, and personal sacrifice. Yet the chaos leads Shirley to a revelatory new understanding of the demise of one of history's most elusive yet endlessly intriguing places. Scholars have long theorized that Spain's Canary Islands are the remnants of the mighty lost continent of Atlantis. As the movie set descends into pandemonium, Shirley finds fascinating corollaries between the island's cataclysmic fate and our own dangerous trajectory. Can we learn the lessons the citizens of Atlantis failed to comprehend?

The answer is borne out of recovered memories from Shirley's past life on Atlantis and through a series of meditations that reveal the necessity of unfettered imagination when looking for bold new truths, rendering this evocative memoir essential reading for anyone seeking a broader understanding of what it means to be human—both where we came from and where we are going.

Claudine Currie:

People live in this new morning of lifestyle always aim to and must have the time or they will get wide range of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not really a huge robot. Then we inquire again, what kind of activity do you have when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read is actually Above the Line: My Wild Oats Adventure.

Teresa White:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Above the Line: My Wild Oats Adventure can make you sense more interested to read.
