As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but

nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
