**Looks Great Naked** Sandi Hutcheson

Now a Kindle bestseller in the Recovery and Substance Abuse Category!

Grace Adams has it all under control. True, she can't order anything through the mail for fear her dachshunds, Laverne and Shirley, will intercept and eat the contents, and she's still carrying a few extra pounds from the birth of her kindergartener, but the rest of her life – marriage, kids, house, even her tennis game – is picture perfect.

At least it is until the day her mother hands her a diet and exercise book called Look Great Naked and says, "I think your husband's having an affair." As the façade begins to crumble, Grace realizes that looking great naked means having nothing to hide. It's accepting yourself exactly the way you are -- right here, right now, flaws, wrinkles, knots, bumps, lumps, bad attitude and all.
