Many of us like to garden, but there is a reason we can't. It may be that it's winter, you live in the city or a place where there isn't adequate space, or there is just not enough time to pursue it. There is a solution! Here, for the first time, a hybrid of two well known types of gardens is defined. This new garden has elements of a Zen Garden as well as elements from a Fairy Garden. It's a Zen Fairy Garden. And what allows you to have one when gardening isn't normally possible for you, you make it a miniature form! This is a delightful, straight forward little book that will tell you what you need to know to create a beautiful Miniature Zen Fairy Garden. There are good illustrations to reinforce concepts presented. If you like to be told exactly how to do it, there is also a step by step "how to" section.
