Sociology: Exploring the Architecture of Everyday Life, Brief Edition

In the **brief, third edition** of **Sociology: Exploring the Architecture of Everyday Life**, author David Newman once again draws students in to the fascinating world of sociological thought. With his eminently readable style and lively personal anecdotes Newman encourages students to take a step back from the textbook and think about how sociology applies to their lives. Using vivid prose, current examples, and fresh data, this brief and concise text presents a well-organized and digestible overview of the social construction of society.
