Why Women Love Bad Boys Victoria Howard

WHY WOMEN LOVE BAD BOYS is a fun, light-hearted book that explains why so many women are attracted to the type of man their mothers always warned them about. Whether he is a Commitment Phobic, a Narcissist, or a Misogynist, Ms. Howard explains why these women would rather be with a man who is like James Dean, than one who is like John Boy Walton. This self-help guide shares real-life experiences and interviews from women who were involved with a BAD BOY. They want the answers to the questions: * What does a man want in a woman? * Where to find 'Mr. Right'. * Where to meet a nice guy * How to break away from the 'Bad Boy Syndrome'. Whether you are single or married, WHY WOMEN LOVE BAD BOYS is the ultimate handbook that will show you how to break away from the BAD BOY, and where to find 'MR. RIGHT'.
