The final battle between werewolves and vampires has an unexpected twist: love.

With twenty thousand years under his belt, Remshi is the oldest vampire in existence. He is searching for the werewolf named Talulla, who haunts his dreams **as** a memory from his ancient past. But he is not the only one seeking Talulla: She is being hunted by the Militi Christi, a fanatical Christian cult hell-bent on wiping out werewolves and vampires alike. Inexplicably pulled toward one another, and with no other choice, Remshi and Talulla must join forces to protect their families, fulfill an ancient prophecy and - through a love that should be impossible - ensure the survival of their species.
