Discovering Our Past (2000 3rd Edition) (A Brief Introduction to Archaeology)

Robert J. Sharer Wendy Ashmore

Discovering Our Past (2000 3rd Edition) (A Brief Introduction to Archaeology) Robert J. Sharer Wendy Ashmore

This brief, inexpensive introduction to the techniques, methods, and theoretical frameworks of contemporary archaeology follows the same organizing principle as the text *Archaeology: Discovering Our Past* but features less detail. Archaeological methods and theory are covered comprehensively--at a reasonable level of detail--in under 300 pages. Illustrative examples and case studies present a temporal and geographic balance of both Old and New World sites. Abundant student aids include maps of archaeological areas, extensive illustrations, chapter introductions and summaries, a guide to further reading at the end of each chapter, a glossary, a bibliography, and an index.
