Are the Ashleys finished forever, or can their enemy-turned-ally find a way to save them? Find out in the fourth and final book in The Ashley Project series from bestselling author Melissa de la Cruz.

Lauren Page thought her plan was pretty simple: Get a fabulous makeover, become one of the Ashleys, and once she was securely in their good graces, completely destroy them from the inside.

There's only one little problem: Now that Lauren is seventh-grade royalty she isn't so sure she wants to follow through—especially because Sadie, her former best friend and current best frenemy, has a new scheme to bring down the Ashleys.

So Lauren comes up with a different plan: save the Ashleys. But with Ashley Spencer dating a penniless boy, Lili shunning makeup and fashion, and A.A. questioning everyone's loyalty, can it be done? Or will the Ashleys actually go down for good?
