You've built a vibrant collection of children's literature, now put those resources to work and put young readers on the path to a lifelong love of reading. A core reference for school and public libraries and a terrific resource for educators, parents, students, and book reviewers of YA and youth titles, this dictionary provides child-friendly definitions of 325 terms and gives vivid examples for each from contemporary and classic literature. Definitions also include suggested activities to aid student learning. Whether you are a librarian helping a student find a definition of archetype, a teacher looking for classroom activities that will help you teach parallel stories, or a student who needs a straightforward example of an acrostic or a haiku, the answers, ideas, and inspiration are here.
