Victor Hugo: The Complete Collection Victor Hugo, Hatman's books

Victor-Marie Hugo (26 February 1802 — 22 May 1885) was a French poet, novelist, playwright, essayist, visual artist, statesman, human rights campaigner, and perhaps the most influential exponent of the Romantic movement in France.

In France, Hugo's literary reputation rests on his poetic and dramatic output. Among many volumes of poetry, *Les Contemplations* and *La Légende des siècles* stand particularly high in critical esteem, and Hugo is sometimes identified as the greatest French poet. In the English-speaking world his best-known works are often the novels *Les Misérables* and *Notre-Dame de Paris* (sometimes translated into English as *The Hunchback of Notre-Dame*).

Though extremely conservative in his youth, Hugo moved to the political left as the decades passed; he became a passionate supporter of republicanism, and his work touches upon most of the political and social issues and artistic trends of his time.

in this collection you will find:

- LES MISÉRABLES
- NOTRE-DAME DE PARIS (THE HUNCHBACK OF NOTRE DAME)
- The Man Who Laughs
- TOILERS OF THE SEA
- POEMS
