Investigating Religious Terrorism and Ritualistic Crimes

Dawn Perlmutter

Investigating Religious Terrorism and Ritualistic Crimes Dawn Perlmutter

The legalities of particular religious practices depend on many factors, such as the type of occult or religious activity, the current laws, and the intention of the individual practitioner. Written by the director of the Institute for the Research of Organized and Ritual Violence, **Investigating Religious Terrorism and Ritualistic Crimes** is the first complete resource to assist in crime scene identification, criminal investigation, and prosecution of religious terrorism and occult crime. It analyzes occult and religious terrorist practices from each group's theological perspective to help you understand traditional and contemporary occult groups and domestic and international terrorist religions, demarcate legal religious practice from criminal activity, and acquire techniques specific to occult and terrorist religion crime scene investigation.

Dawn Perlmutter appeared in an episode of "On the Case with Paula Zahn" (Investigation Discovery Channel) on Sunday, January 8, 2012. She consulted on a 24-year-old cold case homicide that involved the ritualistic murder of Sister Margaret Ann Pahl in the sacristy of a chapel on Easter Saturday, 1980 in Toledo, Ohio. This case involved unusual symbolic and forensic evidence. The episode will be re-run on January 14.

She was also quoted in a January 12, 2012 NPR article about the U.S. military's desecration of the corpses of Taliban fighters.

Dawn Perlmutter was interviewed by Robert Siegel August 29, 2014 on National Public Radio's *All Things Considered* in a segment about beheading as a modern warfare tactic.
