Lilith's Brood: Dawn, Adulthood Rites, and Imago

Octavia E. Butler

Lilith's Brood: Dawn, Adulthood Rites, and Imago Octavia E. Butler

Butler's acclaimed Xenogenesis trilogy about humanity's struggle for survival after nuclear apocalypse, and the alien race that could save the world—or destroy it

The newest stage in human evolution begins in outer space. Survivors of a cataclysmic nuclear war awake to find themselves being studied by the Oankali, tentacle-covered galactic travelers whose benevolent appearance hides their surprising plan for the future of mankind. The Oankali arrive not just to save humanity, but to bond with it—crossbreeding to form a hybrid species that can survive in the place of its human forebears, who were so intent on self-destruction. Some people resist, forming pocket communities of purebred rebellion, but many realize they have no choice. The human species inevitably expands into something stranger, stronger, and undeniably alien.

Butler's *Lilith's Brood* is both a thrilling, provocative meditation on the expansion of the human gene pool and an epic story of how it takes more than DNA to make someone human.

This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.
