**Sex, Drugs, and Rock 'n' Roll: The Rise of America's 1960s Counterculture** Robert C. Cottrell

*Sex, Drugs, and Rock 'n' Roll: The American Counterculture of the 1960s* offers a unique examination of the cultural flowering that enveloped the United States during that early postwar decade. Robert C. Cottrell provides an enthralling view of the counterculture, beginning with an examination of American bohemia, the Lyrical Left of the pre-WWII era, and the hipsters. He delves into the Beats, before analyzing the counterculture that emerged on both the East and West coasts, but soon cropped up in the American heartland as well. Cottrell delivers something of a collective biography, through an exploration of the antics of seminal countercultural figures Allen Ginsberg, Jack Kerouac, Timothy Leary, and Ken Kesey. Cottrell also presents fascinating chapters covering “the magic elixir of sex,” rock ‘n roll, the underground press, Haight-Ashbury, the literature that garnered the attention of many in the counterculture, Monterey Pop, the Summer of Love, the Death of Hippie, the March on the Pentagon, communes, Yippies, Weatherman, Woodstock, the Manson family, the women’s movement, and the decade’s legacies.

That book was represented how do the world has grown up. The terminology styles that writer use to explain it is easy to understand. The writer made some analysis when he makes this book. That is why this book acceptable all of you.

#### **Thomas Obrien:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Sex, Drugs, and Rock 'n' Roll: The Rise of America's 1960s Counterculture can make you

sense more interested to read.
