The glittering capitals of Paris and New York, the champagne-fizzed, roaring 1920's and a romance you will never forget.

Kim Hendricks is American, a legendary war reporter and celebrated novelist, a daring big game hunter, glamorous and romantic, but tragically flawed.

Nicole Redon is French, a talented fashion designer whose shocking designs influence women around the world. She is beautiful, charming, lonely, haunted.

Destiny brings them together but will fate--and the tides of history--tear them apart?

Kim confronts a devastating tragedy. Nicole guards a desperate secret. They meet by chance and pursue their star-crossed romance in New York and Paris, on safari in Africa, in glamorous resorts on the French Riviera and the savage blood-drenched front lines of two world wars.
