DNA means everything to a vampire ... and Sara's blood is the purest of them all. Going away to college should have been the best part of her young life, but what Sara Donnelly found in the picturesque college town of New Paltz, New York was nothing like what she'd expected. Needing to escape a past that continues to haunt her, Sara leaves her family behind to begin a new chapter of her life as a student. But nothing in this new world is what it seems, especially when it comes to her mysterious Art History professor and his teaching assistant, Daniel. Daniel Bennett, the brooding but handsome loner who hides from the world finds he can't hide from Sara, or the siren's call of her blood. Is his love for her greater than his undeniable lust for her blood? Professor Jonathan Walker, the larger than life figure who walks out of Sara's family tree only for her to discover she's a key component in his sinister plan to manipulate his progeny. With a fiery spirit to match her flaming head of red hair, Sara finds her family's unique history colliding with her present day; leaving only one question ...will she survive to see tomorrow? The Purity of Blood Series Continues with four other exciting novels: Purity Lost \* The Blood That Binds \* Purity's Progeny \* Blood's Solemn Vow
