The Research Project Ms. Sophia Denney

Can you always tell when someone is watching you? Emma can. Do you live on a farm in Wyoming? Abbi does. Are you adopted and invisible to most of the seventh grade? Curt is. And are you the coolest guy in school but can't pursue your passion? That's Marty. These 4 average seventh-graders are living their fairly average lives, until a strange girl, Anita, lands smack dab in the middle. Odd things begin to happen, and they form a bond through an unlikely connection. Soon, the four kids must survive the journey to save what matters most in the end.
