Sassy mouth, spankable ass, curves that won't quit. I can't get Dawn off my mind.

The chemistry in our scenes is off the charts, but me and love parted ways a long time ago. I can't let her get used to me riding in to save the day every time she's in trouble, but now she's under my skin, and to make her behave I might just have to make her mine.

Gabriel loves my bratty attitude, and I love the way he puts me in my place. No Dom has ever worked me over like he does. It's like he knows my body better than I do. What it needs. What it can take. He doesn't want a relationship, but that's okay. I don't need forever, so long as he gives me tonight.

That all changes when he saves my life. Now I'm falling hard and fast, but it'll take more than making him breakfast to break down his walls. He needs me as badly as I need him, and I'm going to prove it the best way I know how.

By giving him a challenge he'll never be able to resist.

Me.

Make Me is a steamy romance novella that contains sordid and explicit depictions of sexual activity by consenting adults in a BDSM setting, and is for adults only. It is a standalone story with no cliffhangers.
