This unforgettable tale of love, enchantment, and discovery features Tiana, a young girl with big dreams who is working hard to achieve them amid the elegance and grandeur of the fabled French Quarter. *The Art of The Princess and the Frog* showcases the lush concept art of this sure-to-be-classic movie, including sketches, character designs, lighting studies and storyboards, alongside inspiring quotes from the directors, producers, artists and designers, including veteran hand drawn animators that brought you many of Disney's most classic and unforgettable characters.
