Everyone has a defining moment in his or her life; most of us have several. Sometimes, we recognize them when they occur; sometimes, we only recognize them in retrospect. Some are never known to us. Time Is A Pool is a collection of ten flash fiction stories in which the main character in each experiences a life-defining or life-affirming moment. These stories are brief, but the moments about which they speak are eternal. The characters are universal: a single mom, a minor league baseball player, a former minister, a couple of women, a couple of men. One experiences a moment of redemption, one a moment of love, another a moment of understanding. Time Is A Pool will make you laugh, make you think, maybe make you cry, and hopefully, give you hope about the possibilities that Life has to offer—possibly, in the next moment.
