**Dream Analysis: A Practical Handbook of Psychoanalysis (Maresfield Library)** Ella F. Sharpe

Written originally as a practical handbook on dream analysis, this book has established itself as a work of lasting value not only to psychoanalysts engaged in therapy, for whom it is primarily intended, but also to students and general readers interested in psychological research. In his introduction to this edition of Dream Analysis, Masud Khan concludes: "I know of few books that comprehend Freud's message with such clarity and acumen as Ella Sharpe's". In it she illustrates the various mechanisms of the dream as formulated by Freud, and examines in detail many different types of dream. She uses this examination to show what contribution dream analysis makes to the understanding of psychical problems.
