Heretics

Heretics G. K. Chesterton, Gilbert Keith Chesterton

Though he was on the whole a fun loving and gregarious man, during adolescence Chesterton was troubled by thoughts of suicide. In Christianity he found answers to many of the dilemmas and paradoxes of life. Throughout *Heretics* he provides a very personal critique of contemporary religious notions. His consistently engaging but often wayward humour is mixed liberally with daring flights of fancy and some startling turns of thought. A highly original collection of essays, providing an invaluable contribution to one of the major debates of the last century - one that continues to exercise leading thinkers in the present one.
