**Poetics: With the Tractatus Coislinianus, Reconstruction of Poetics II, and the Fragments of the On Poets (Bk. 1)** Aristotle, Richard Janko

Richard Janko's acclaimed translation of Aristotle's *Poetics* is accompanied by the most comprehensive commentary available in English that does not presume knowledge of the original Greek. Two other unique features are Janko's translations with notes of both the *Tractatus Coislinianus*, which is argued to be a summary of the lost second book of the *Poetics*, and fragments of Aristotle's dialogue *On Poets*, including recently discovered texts about catharsis, which appear in English for the first time.
