From the author of the internationally bestselling Templar Chronicles series comes an all new urban fantasy adventure featuring Knight Commander Cade Williams and the men of the Echo Team.

In The Hungry Dark, Cade and his team are in Europe, helping train a new group of recruits when reports of strange occurrences at a small village deep in Germany's Black Forest reach the Order's leaders. With the locals tied up on other matters, Echo Team is dispatched to deal with the situation.

No sooner do the men of Echo reach their destination that a terrible winter storm rolls in, stranding them in enemy territory with nothing but their wits and a handful of weapons to get them through the night.

(Author's Note: The Hungry Dark takes place just a few months after the events of The Heretic and before those of A Scream of Angels.)
