## **The Philosophy of Tolkien: The Worldview Behind the Lord of the Rings** Peter Kreeft

While nothing can equal or replace the adventure in reading Tolkien's masterwork, *The Lord of the Rings*, Peter Kreeft says that the journey into its underlying philosophy can be another exhilarating adventure. Thus, Kreeft takes the reader on a voyage of discovery into the philosophical bones of Middle earth. He organizes the philosophical themes in *The Lord of the Rings* into 50 categories, accompanied by over 1,000 references to the text of *Lord*. Since many of the great questions of philosophy are included in the 50-theme outline, this book can also be read as an engaging introduction to philosophy. For each of the philosophical topics in *Lord*, Kreeft presents tools by which they can be understood. Illustrated.
