This book is an anonymous collection of real diary entries, with true personal stories about life.

Have you ever wondered what makes people tick? Or if you're normal? This book is full of genuine dear diary entries where women talk about their innermost thoughts - they confess what it feels like to have an affair, experiment with cutting, lose their virginity, participate in group sex, have an abortion, struggle with mental illness, or lose a friend to suicide. These are the sometimes funny, sometimes sad, real life private experiences that expose The Secret Lives of People.

Think of the book like a weird cross between The Diary of Anne Frank, Go Ask Alice, and 50 Shades of Grey. Book is NOT suitable for minors.
